Dear Parents and Carers

Internet Safety Parent Workshop

I'm sure you will agree Internet Safety is an area of huge concern for all parents, and teachers, considering how quickly technology updates and changes, often leaving us as parents confused and 'out of touch', anxious to ensure the safety and security of all of our children whenever they use social media and the internet.

With this in mind, I am really pleased that Leon from the 'Child Exploitation and Online Protection Service' has agreed to come in to school to present a workshop for all parents. I cannot stress enough how important it is for you to hear Leon's messages and urge as many of you as possible to attend this session on the evening of Tuesday 14th March, at 6.30pm. Leon's presentation is extremely informative and will help all of us gain a better understanding of what our children, and other users, are capable of online, and also what they can very easily be exposed to through social media.

A crèche will be available if you are unable to arrange child care. I really look forward to seeing you there.

With many thanks and very best wishes

A handwritten signature in black ink, appearing to read "Anita Fagan".

Anita Fagan
